**CORAM : V.M. KANADE, J.**

**DATED : SEPTEMBER 19, 2007**

**P.C. :-**

. The applicant is challenging an order passed by the Additional Sessions Judge, Pune, dated 14th February, 2006 whereby the Sessions Court was pleased to modify its earlier order which was passed in the interim application taken out by the petitioner herein for suspension of the order of the payment of compensation. By the modified order dated 14th February, 2006, the petitioner has been directed to deposit half amount of the compensation which was awarded in favour of the complainant by the trial Court.

2. In my view, instead of deciding the application on merits, it would be appropriate if the Sessions Court

is directed to dispose of the appeal which has been filed by the applicant, expeditiously. In the meanwhile, the impugned order dated 14.2.2006 is set aside and the appellate court is directed to decide the Criminal Appeal No.69/2005 as expeditiously as possible and in any case within a period of three months from today.

3. With these directions, Criminal Application is disposed of.

4. It is made clear that the trial Court shall not be influenced in any manner by the order which is passed in this criminal application.
